

ARIZONA ITALIAN AMERICAN CHAMBER OF COMMERCE

Mosaico Signs has joined the Chamber!

We are welcoming Mosaico Signs! Tommaso was born in Zürich, Switzerland, where his parents lived after emigrating from Italy in the late '50s. Shortly after this, his family returned to Italy. His parents started their new businesses as entrepreneurs, his mom in a retail grocery store, and his dad in a shoe repair shop. Tommaso is excited to start a new business and a new life in the beautiful state of Arizona.

As an affiliate Member of the National Italian-American Foundation.

Our business members receive the opportunity to buy a sustaining membership at half the regular cost. NIAF is a great organization to join and we're glad to work with them. The Chamber is also interested in candidates for their [Voyage of Discovery](#) program. Because we're an affiliate, we are allocated a submission for a student. That deserving student can go on a trip to Italy where they discover their heritage in a more real and intimate manner. It's a once in a lifetime opportunity. If you're a member, please feel free to contact us regarding the program.

Access to Financial Information

As a Chamber member, you are entitled to our financial information. All of our Board Members and Advisory Board Members are 100% volunteers. We receive no financial compensation for the many things we do. It's a labor of love. Membership dues are typically utilized for marketing our members, office supply items and memberships with related organizations.

Featured Business Member

Our featured Chamber member this month is Deaf Protection!

Marlene Buffa has been a supporter of the community for years and can explain her service.

DEAF is a unique, proprietary hardware and software system that acts as a highly evolved cloaking device. It uses quantum-based computing to hide your communications from the government's and all others' prying eyes. Your calls both incoming and outgoing, are discovered and protected before they are connected. www.Deafprotection.com

Lastly, our friends at the Italian American Museum are hosting an Opera Night. Mariana Gatto does a great job. The museum is a nice place to visit if you're on a weekend in LA escaping the heat, on a business trip and want to drop in, or any other reason to check it out.
